Dear Stakeholder:

Our government has the highest regard for seniors and is committed to protecting what matters most to them and their families. We are committed to helping seniors remain independent, active, safe, and socially connected. That is why we are moving forward with our commitment to develop a cross-government strategy to do what's right for Ontario's aging population, while growing jobs and the economy. We want to hear from seniors, the people who care for them, and the organizations who support them.

There is still time to have your say. If you haven't done so already, please complete our online consultation survey and share the following link widely, on social media, in your newsletters and with your networks: <https://www.ontario.ca/page/consultation-survey-ontarios-seniors-strategy>

The survey will be available until **July 19, 2019**. If you have any questions about the survey, please call 1-888-444-2271.
