

On Your Mark Academic Support Program

The *On Your Mark* Program is supported and funded by the TDSB and TCDSB and has been offering free services to the community for 17 years. Our main goal is to provide one-to-one and small group tutoring for grades 1-12 students of Portuguese and Spanish-speaking heritage in elementary and high school.

Every year our program receives more than 200 students who are attended by 200 volunteer tutors. However, we are receiving more applications every year, for this reason, we are in need of more volunteer tutors who be able to donate part of their time to help our students to have a better education and a better life.

If you interested in volunteering for this program please contact:

Rafael Silva
